

PBE Exchange

Order History

How it Works

Order History provides a centralized area to easily view, sort, track and manage all order activity.

From the PBE Exchange home page, click **Orders & Invoices** in the header, then click **Order History** from the fly out menu.

ORDER HISTORY

Help

Show: ALL ORDERS LAST 30 DAYS LAST 90 DAYS CURRENT YEAR PRIOR YEAR PICK A DATE RANGE

Search By PO#

Order Type:

Order Status:

Order Date▼	Purchase Order	Order Type	Invoice Total	Order Status	Goods Receipt
01/26/2024,01:46 PM	55655555556666	Standard	-	In Process	

To customize your order history search by status, go to the **Order Status** drop-down list and make a selection.

To search for a specific PO, go to the **Search by PO#** field, type your number and click the spyglass.

To search by a specific order type, go to **Order Type** and make a selection.

To view specific order details, go to the **Purchase Order** column and click on the link.
