

PBE Exchange

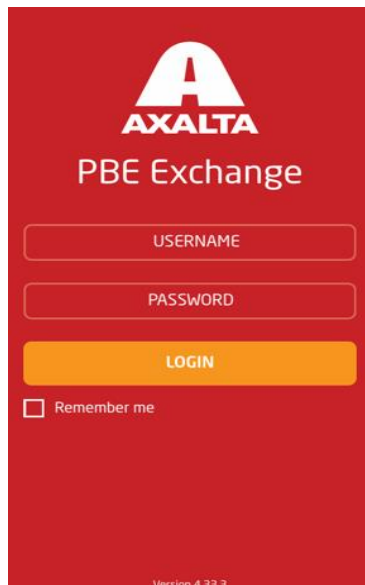

Mobile App – App Download

How it Works

Download the PBE Exchange Mobile App on your Android and iOS device to easily place orders, receive order notifications and track inventory.

PBE Exchange's Mobile App is available to download from either Google Play or the App Store.

Once your Mobile app has been successfully downloaded, complete the **Username** and **Password** fields with the Axalta provided credentials and click **Login**.

Note: To make logging in easier, click the **Remember Me** box to have the app remember the login credentials.
